

Rediscover Recycling

save energy
conserve resources
prevent pollution
create jobs

RecycleMoreWisconsin.org

is a program of the
Associated Recyclers
of Wisconsin (AROW).

AROW provides statewide
proactive leadership
on waste reduction
and recycling through
education, advocacy,
collaboration, programs
and services.

AROW members receive
one free listing on

RecycleMoreWisconsin.org

as part of their annual
membership benefits.

What is RecycleMoreWisconsin.org?

RecycleMoreWisconsin.org is a “go to” website for residents to find detailed, up-to-date information about recycling in every community wherever they live, work, or play. The website currently features information for nearly 1 million Wisconsin residents!

Program Benefits

-  The website provides one place to find local recycling information for every community in the state.
-  The website gives quick access to today’s mobile residents with easy to find recycling information in one convenient place.
-  Link to and from your existing community website for added exposure.
-  Use RecycleMoreWisconsin.org as your community’s main website for recycling information.
-  The website is maintained for you. No web designer or hosting fees.
-  Post local events for statewide promotion.
-  Become a part of the statewide communities promoting recycling in Wisconsin!
